Portrait

Hergiswil is a highly attractive place to live. It is situated on the shores of Lake Lucerne and surrounded by Mount Pilatus on one side and by Mount Lopper on the other side. Over the years the two traditional parts “Hergiswil Dorf” and “Hergiswil Matt” have grown and new residential areas have been developed and integrated. The local bus helps to connect these areas. The bus is free and the service is being trialed until the end of 2021.

Centrally located Hergiswil is well connected with Lucerne, Sarnen, Stans and even Zurich by public transport or through the motorway. Commuting is easy thanks to the two train stations “Hergiswil Dorf” and “Hergiswil Matt” where trains stop every 15 minutes.

The healthy business location of Hergiswil is linked to the moderate tax rate that the municipality has been pursuing for decades.

This brochure is filled with the most important informations and activities in Hergiswil. If you are interested in more information or news about Hergiswil, please visit our website www.hergiswil.ch or contact the local administration.

Education

Organisation of the school in Hergiswil

The school of Hergiswil is a state school managed by one executive headmaster and one headmaster for each school, primary schools (Dorf and Matt) and secondary school (Grossmatt). The school committee forms the strategic authority. The committee consists of six members who advise the local council. The headmasters are responsible for the operational implementation. The school administration and a caretaker team support the authorities.

The school of Hergiswil consists of an inclusive / comprehensive school, i.e. the school integrates all children and young people aged 4 to 16 by adapting the learning environment to the different types and needs of learners.

Teachers, specialists, parents and the school authorities work in close cooperation.

Teachers for special needs, speech therapists and teachers for German as a foreign language support the normal teaching staff. The school's principle is to strengthen each learner's abilities and to help to achieve their learning objectives.

Kindergarten

Joining the kindergarten is possible for children who have reached the age of 4 on 30 June. The first year of kindergarten is optional. The children go to kindergarten four mornings and one afternoon a week. For the children who have reached the age of 5 on the 30 June, attending kindergarten is compulsory. Classes take place on four mornings and three afternoons. The 3 kindergartens are situated in the schools "Dorf", "Grossmatt" and "Matt".

Primary-school

Year 1 through Year 6 are mixed-age classes. Year 1 and Year 2 form the lower level (Unterstufe), Year 3 and Year 4 the intermediate level 1 (Mittelstufe 1) and Year 5 and Year 6 the intermediate level 2 (Mittelstufe 2). There exist an intensive cooperation and collaboration across the Year groups. Various sports and cultural events, projects and camps enrich everyday school life. The primary school is located in the school premises "Dorf" and "Matt". There is also a lower level in the Grossmatt, which works closely with the school "Matt".

Secondary school

The secondary school is a comprehensive school and located in the "Grossmatt". The subjects mathematics, German, English and French are taught in Levels A (increased requirements) and B (basic requirements).

If there are any further questions regarding schools, please do not hesitate to contact the school administration office.
